

Time for an exciting change? Do you want to work for an industry leader? Due to our tremendous growth, BE'S Refreshments, NE Wisconsin and Upper Michigan's premier refreshments company, is looking for a Machine Technician to join our team!

Schedule: Monday-Friday, 6/7am-3/4pm (hours will vary slightly based on business needs)

Life as a Technician:

- Troubleshoot and repair vending machines, micro-market equipment, such as coolers and kiosks, and office coffee and water units
- Perform diagnostics test(s) to determine the cause of impaired functioning
- Log all troubleshooting, testing, repairs, and recommendations
- Repair and replace parts including bill acceptors, card readers, sensors, belts, compressors, boards, (etc), and confirm restored functionality
- Set up, deliver, and install vending machines, water coolers, water filtration systems, micro-markets, and office coffee equipment
- Connect, disconnect, and maintenance of plumbing and wiring systems associated with machines in compliance with regulations
- Provide respectful, customer-focused service and interaction at client sites at all times
- Drive company vehicles including our 16-foot box trucks and utility vans safely, abiding by all traffic laws, and keep vehicles neat and clean
- Assist at the technician shop as and where needed
- All other duties as assigned

Career Essentials/Attributes:

- Mechanical aptitude
- Problem-solving approach
- Professional attitude

Qualifications:

- Must be comfortable driving our 16-foot box trucks and utility vans throughout all weather conditions
- Must have a valid driver's license with a clean driving record for a minimum of 3 years
- Must be technologically and mechanically inclined with prior on-the-job experience and/or relevant education
- Independently motivated, and a great communicator with customers and coworkers
- Excellent verbal and written communication skills, attentive and timely in responses
- Good follow-up and ability to juggle multiple tasks simultaneously
- Excellent attendance record

Physical Requirements:

- Ability to stand and walk for extended periods of time
- Ability to bend and twist at the waist, kneel, squat, reach above shoulders and head repetitively throughout the 8-hour workday
- Must be able to push, pull, move, and lift 50-200 pounds repetitively throughout the day using proper lifting equipment and technique

Work Perks:

Full benefit package including medical with employer-discounted premiums, dental and vision, free minor medical care program at a dedicated clinic and \$25 urgent care, matching 401k, competitive PTO, free food and beverages program, a great team to work with, and more!
